## Resist

by lisle gwynn garrity  
 Inspired by Luke 4:1-13  
 Charcoal and acrylic paint on paper

While in the wilderness, what does Jesus resist? The temptation to provide only for himself instead of living into God's abundant manna. The temptation to obtain unlimited power and control. The temptation to coerce faith or prove God's power. The temptation to rule above the earth instead of from within it.

In his own 40-day Lent, Jesus is reformed and readied for his ministry, one defined by humility, justice, and compassion. I imagine he had to let go of ego and self-serving desires in order to cultivate a leadership ethic that upends structures of power and oppression. He had to let go of personal profit in order to cultivate inner strength.

In this image, a flash of red, symbolizing evil and temptation, snakes around Jesus' head, as if to suffocate him. But a halo of gold, emanating from his steadfast expression, protects him from evil's destruction.

Woodstock Presbyterian Church  
Minutes of February 24, 2019 Meeting**

\*Jerry Germroth opened the meeting with prayer at 8:30 a.m. Breakfast was prepared in a team effort. The sausage, scrambled eggs, pancakes, gravy, and fruit cocktail were delicious. We had 15 people in attendance, 12 men and 3 women.

\*Gary Yew presented a devotion called Carl's garden which demonstrated what can happen when we truly love our enemies.

\*The minutes of the January 27, 2019 meeting were approved as distributed.

\*The Treasurer's Report was approved; the current balance is \$10,314.05 with the addition of today's \$125.75.

**Old Business:**

\*The next Tenderloin Dinner is planned for April 12, 2019. It was suggested that the children's menu be macaroni and cheese and applesauce. The PW yard sale is scheduled for April 6<sup>th</sup>.

\*Jerry Germroth reported that he has arranged to have the gate for the inside stairway in the fellowship hall made. The design will mimic the existing railing with accommodation made to fill in the gap created by the lower curve. The cost is approximately \$1,000.00. This does not include installation which Hal Ladehoff has offered to cover.

\*Mike Ashley has repaired the warmer in the kitchen. Hooray and thanks to Mike!

The defibrillator has been installed with thanks to Gary Yew. Robin Tusing has agreed to offer a course in its use for 6-8 people.

\*The construction of the Education Classroom is progressing. The building permit has been obtained. Wall studding has been completed. The main HVAC duct has been installed. Electric lights and outlets have been installed and inspected.

\*Next, the sheet rock will be installed by a contractor, the doors will be installed (in-house), the drop ceiling installed, paint and flooring.

Fund raising to provide the remainder as well as the air conditioner for the pre-school and to reduce the principal on our loan for the addition will begin next Sunday. The Men of the Church are planning a spaghetti dinner to raise funds. The date is yet to be determined.

\*The men of the church will prepare Easter Sunday breakfast on April 21<sup>st</sup> to follow the sunrise service.
